### FEATURES

Produced from selected olives of the Portuguese varieties Galega and Cobraçosa.

Upper tier olive oil obtained directly from olives unique by mechanical means of "cold extraction".

Due to its characteristics, this olive oil has a wide range of gastronomic use that goes from a simple mediterranean salad dressing, seasoning the meat or fish or even as a starter with a piece of bread to enjoy all its flavours.

### TASTING NOTES

Premium Olive Oil with low acidity (aprox. 0,3) with smooth spicy flavour.

It displays a deep yellow and green color. Its aroma is herbaceous, intense with light strokes of green apples and its flavour of fresh green olives.
