The grapes that originated this unique wine are from our oldest Trajadura vines. Grown in organic production mode, selected and handpicked, were then rapidly taken to the winery and fermented according traditional methods, respecting the relation of Man with nature.

*Clear with a light lemony colour.
In the nose, the clean and ripe tropical fruit reveals its youth.
In the mouth is dry and oily, where the discrete oak completes an harmonious complexity.
It has a long finish and a medium ageing potential.*

The fermentation in barriques and a short "sur lie" aging period and battonage, improves the oak blend in the wine and enhances its creaminess and the depth.
It should be served between 10 a 12°C.
